2. ACTIVE INVOICE DISPUTE & WIRE-IN-TRANSIT SHIELD MATRIX

- Verified SWIFT Wire-in-Transit Safe Harbor (INV-2026-8801 / ACC-1004): Despite 92 days past due, David Chen submitted settlement reference "SWIFT-HK-90412 (Pending Clearing)". Treasury grants a mandatory 72-hour wire clearing hold prior to executing Credit Hold if Wire Verification is selected.
- Short-Ship Billing Query (INV-2026-8804 / ACC-1009): Crestview Department Stores has an active "Short-Ship Invoice Query" against $920 overdue (69 days past due). Operations must decide whether to freeze the dispute amount pending warehouse POD proof or apply full standard Silver -25% Credit Hold.
- Partial FX Fee Dispute (INV-2026-8802 / ACC-1007): Monarch Textile Traders disputed correspondent intermediary bank charges on INV-2026-8802 (55 days, $1,200). Under MENA FX Fee Tolerance, charges <= 2% may be waived cleanly upon principal wire confirmation.
